EINO H. SILVAN**HAROLD G. ASHLEY****WILLIAM V. HOGAN**

Board of Selectmen

Attest: Francis F. G. Andrews, Town Clerk.

WARRANT FOR ANNUAL TOWN MEETING**March 12, 1962**

ARTICLE 1. To hear the report of the Finance Committee, or act thereon.

ARTICLE 2. To act on the reports of the town officers.

ARTICLE 3. To see if the Town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of revenue for the current financial year, and to issue a note, or notes, therefor, in accordance with the provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 4. To see if the Town will vote to authorize the selectmen to contract with the Department of Public Works and County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 5. To see if the Town will vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended, as follows: Moderator, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Constables, Tree Warden, Highway Surveyor, Board of Public Welfare, School Committee, Library Trustees Chairman, and Burial Ground Commissioners, and raise and appropriate sums of money for same, or act thereon.

ARTICLE 6. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Finance Committee, Industrial Development Commission, Selectmen, Auditor, Treasurer, Collector, Assessors, Town Clerk, Planning Board, or act thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate sums of money for the following departments, namely: Town Counsel, Elections, Registrations, Town Hall, Police Department, Fire Department, Tree Department, Sealer of Weights and Measures, Dog Officer, Board of Health, Tax Title Expense and Civil Defense, or act thereon.

ARTICLE 8. To see if the Town will vote to authorize the moderator to appoint a committee to make a study of the Town by-laws and to report their findings and recommendations not later than the next annual town meeting. Said com-

mittee to consist of one member of the Board of Selectmen, one member of the Planning Board, and the Town Clerk, or take any action relating thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for a dental clinic, or act thereon.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money to be expended in suppressing the gypsy and brown tail moth; also a sum of money for Dutch Elm Disease Control, or act thereon.

ARTICLE 11. To see if the Town will vote under the provisions of Section 4-A of Chapter 41, to authorize certain town boards to appoint one or more members to other positions, and fix the salary for same, or act thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money for the Town's share of Chapter 81 Highway Maintenance, and to appropriate and transfer the sum of \$11,550.00 from the Excess and Deficiency Account to cover the State's share, said sum to be returned to the Excess and Deficiency Account on receipt from the State, or act thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money for the Town's share of Chapter 90 Highway Maintenance, and to appropriate and transfer the sum of \$3,600.00 from Excess and Deficiency to cover the state and county shares, said sum to be returned to Excess and Deficiency Account on receipt from the state and county, or act thereon.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money for Chapter 90 Berkley-Dighton Bridge Maintenance, and to appropriate and transfer the sum of \$1,620.00 from Excess and Deficiency to cover the state and county shares, said sum to be returned to Excess and Deficiency Account on receipt from the state and county, or act thereon.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money, not exceeding \$1,000.00, to be spent for highway repair, and/or reconstruction purposes on Plain Street; independently of, or in addition to, any other highway maintenance program which the Town may vote on.

ARTICLE 16. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a

sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

ARTICLE 17. To see if the Town will vote to empower the selectmen to take land, sloping rights, and drainage rights on South Main Street by gift, purchase or eminent domain, for the layout, alteration, relocation, and construction of South Main Street, or take any action relative thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Berkley-Dighton Bridge Expense, Road Machinery Account and Street Lights, or act thereon.

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money for Snow Removal, Sanding, and Snow Fence, or act thereon.

ARTICLE 20. To see if the Town will vote to raise and appropriate sums of money for General Relief, Old Age Assistance, Aid to Dependent Children, Disability Assistance, Welfare Administration, Veterans Services and Medical Assistance for the Aged, or act thereon.

ARTICLE 21. To see if the Town will vote to raise and appropriate a sum of money for the School Department, or act thereon.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money for the Public Library, and to transfer a sum of money to the Public Library from the Dog Fund, or act thereon.

ARTICLE 23. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Care of Berkley Common, Town Reports, Memorial Day, Care of Veterans Graves, Myricks Building, Town Water, Cemeteries, or act thereon.

ARTICLE 24. To see if the Town will vote to purchase and place on Berkley Common, a suitable stone as a memorial to honor those who served our country from Berkley, and raise and appropriate or transfer from available funds a sum of money for same, or take any action relative thereto.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money for Compensation Insurance for town employees or act thereon.

ARTICLE 26. To see if the Town will vote to appropriate and transfer a sum of money from the Overlay Surplus Account to the Reserve Account, or act thereon.

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to cover interest on loans, or act thereon.

ARTICLE 28. To see if the Town will vote to pay the unpaid bills of previous years, and to see if the Town will vote to raise and appropriate a sum of money therefor, or act thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money for the Bristol County Retirement Assessment for the fiscal year of 1962, as certified to by the Board of County Commissioners, or act thereon.

ARTICLE 30. To see if the Town will vote to transfer to the Excess and Deficiency Account the unexpended balances in the following accounts: Orchard Street and Town Clerk's Typewriter, or act thereon.

ARTICLE 31. To see if the Town will vote to authorize the assessors to use a sum of money from available funds to reduce the tax levy of the current year, or act thereon.

REPORT OF STATE AUDIT

Publication as required in Chap. 44, Sec. 40, General Laws

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION
BUREAU OF ACCOUNTS
State House, Boston 33

January 4, 1962

Board of Selectmen
Berkley, Massachusetts

Gentlemen:

This is to certify that the books and accounts of the town of Berkley were audited by the Bureau of Accounts, Department of Corporations and Taxation, as of July 5, 1961, at which time they were found correct with all funds properly accounted for.

A detailed report of the audit will be forwarded as soon as possible.

The detailed audit report will contain recommendations that the tax collector obtain a prompt settlement of the delinquent tax and excise accounts and that he pay his collections to the town treasurer weekly.

Very truly yours,

(signed) WILLIAM SCHWARTZ,
Assistant Director of Accounts

copy to town clerk

Attest: Francis F. G. Andrews, Town Clerk

REPORT OF STATE EMERGENCY BOARD LOAN APPROVAL

THE COMMONWEALTH OF MASSACHUSETTS
EMERGENCY FINANCE BOARD
State House, Boston

November 16, 1961

At a meeting of the Emergency Finance Board of the Commonwealth, held on the 16th day of November, 1961, a majority of said Board being present, the following vote was unanimously passed under the suspension of rules:

VOTED: To approve the borrowing by the TOWN OF BERKLEY of the sum of THREE HUNDRED SIXTY THOUSAND DOLLARS (\$360,000.00), under the authority of and in accordance with Chapter 645 of the Acts of 1948, as amended, for the purpose of Constructing, Originally Equipping and Furnishing an Elementary School; said Town having received the approval of the School Building Assistance Commission of an estimated construction cost of THREE HUNDRED EIGHTY ONE THOUSAND, FIVE HUNDRED DOLLARS (\$381,500.00); and of an estimated construction grant of ONE HUNDRED NINETY THOUSAND, SEVEN HUNDRED FIFTY DOLLARS (\$190,750.00).

EMERGENCY FINANCE BOARD
BERNARD SOLOMON, Chairman
ALEC J. STRZPEK
JAMES P. BOYLE
HERMAN B. DINE, Secretary

Attest: Francis F. G. Andrews, Town Clerk

TOWN MEETINGS 1961

*Article**No.**Action Taken*

January 23, 1961

1. Heard report of special school committee.
2. Appropriated from taxation:
Preliminary Plans, Elementary School \$2,500.00

March 13, 1961

1. Accepted a report of Finance Committee.
2. Accepted reports of town officers published in annual town report.

Reserve Fund 2,000.00

27. Appropriated from taxation:

Interest on Loans 1,100.00

28. Appropriated from taxation:

Unpaid Bills of Previous Years 1,273.52

29. Appropriated from taxation:

County Retirement Assessment 360.40

May 22, 1961

1. Accepted a report of the School Planning and Building Committee:

After the town meeting of January 23, 1961 the Berkley school planning and building committee authorized Mr. I. T. Almy, architect, to draw up several plans to include 12 classrooms, a special class, a multipurpose room, kitchen, office spaces, book room, boiler room, toilets and storage spaces.

As a result of the tour of sites held on January 28th it was decided to have Mr. Benjamin Evans survey the Bischoff property. Mr. Evans was unable to do this and the firm of Corse and Tibbetts of Marion and Rochester was engaged to do the work.

Mr. Almy presented several plans and the Committee decided on one that seemed to best suit the land in question. It was decided to visit the Newman Avenue School in Seekonk as it was similar to the plan presented. It was pointed out during the visit that open wardrobes in each room would save about \$400 per room. The Dighton-Rehoboth Regional High School was also visited to view construction.

A meeting was held with a representative from Corse and Tibbetts, the committee and Mr. Bischoff to view the survey. Mr. Bischoff agreed to donate a piece of land about fourteen acres in size that bordered on South Main Street.

The committee then authorized Mr. Almy to draw up (plan) No. 4 on the Bischoff property and send it to the School Building Assistance Commission along with educational specifications. It was approved by the Commission after the location of the teachers' room was changed. A preliminary form F of Cost Estimates was also approved. This estimate was for a total cost of \$495,000 with a construction cost of \$415,000 included.

The committee now recommends that a sum of money be raised and appropriated to have working drawings and specifications made up. Construction bids will be asked on these drawings so that the committee may determine accurately the cost of building such a plant before asking for a construction appropriation at a subsequent town meeting.

Respectfully submitted,
 ESTELLE I. STETSON, Chairman
 MARIA E. D. AGUAS
 STUART R. WATERFIELD
 RICHARD W. PILLING
 LAURA C. McCLENTIC
 ALFRED GOUVIA
 FRED HEYWOOD, JR.

2. Appropriated from taxation, 1962 levy:
 Working Drawings and Specifications
 for School 19,000.00

September 11, 1961

1. Voted to petition the State Tax Commission for the installation of the state assessment system provided in sections 7A-7D in chapter 58 of the General Laws.
2. Appropriated from taxation:
 Expert Appraisal of Taxable Real Estate 7,800.00
 Authorized assessors to contact for same for a three year period.
3. Appropriated from taxation:
 Professional Mapping Program 2,567.00
 Authorized assessors to contract for same, to be paid in one year.
4. Authorized selectmen to dispose of the building on the property at Myricks.

September 25, 1961

Be it resolved: That we, the inhabitants of the town of Berkley, in town meeting assembled this twenty-fifth day of September, nineteen hundred sixty-one, on the occasion of the removal from town and resignation from the school committee of Richard W. Pilling, extend to him our sincere thanks for his courteous, earnest and faithful service in his work in the interests of this town, and our best wishes to him and his family for happiness in the future.

1. Appropriated from Medical Aid to the Aged and Old Age Assistance:
 General Relief 1,600.00
2. Accepted as a report of progress a report of the special school committee.

3. Voted: That the sum of \$360,000 be appropriated for the purpose of constructing and originally equipping and furnishing a 9 room elementary school building and grading the grounds thereof, and that to meet said appropriation the treasurer with the approval of the selectmen be and hereby is authorized to borrow the sum of \$360,000 under the authority of Chapter 645 of the Acts of 1948 as amended, and to issue bonds or notes to the Town therefor, payable in accordance with the provisions of Chapter 645 of the Acts of 1948 as amended, so that the whole loan shall be paid in not more than twenty years from the date of issue of the first bond or note.

October 16, 1961

1. Voted: To authorize the selectmen to take by eminent domain a parcel of land supposed to belong to George Bischoff and Doris M. Bischoff, situated on the westerly side of South Main Street in Berkley, Bristol County, Massachusetts, bounded and described as follows:
Beginning in the westerly line of South Main Street at the southeast corner of land now or formerly of Susan Atterbury and Charles E. Harrison, Jr., for a corner; thence by said land South $57^{\circ} 56' 40''$ W. 585.26 feet to a stake set in the wall for a corner; thence by a wall, by the three following courses by land of George Bischoff S. $48^{\circ} 24' 50''$ E. 32.17 feet to a turn; thence S. $75^{\circ} 20' 00''$ E. 34.36 feet to a corner; thence S. $4^{\circ} 14' 00''$ W. 781.56 feet to a corner; thence S. $73^{\circ} 38' 30''$ E. 394.98 feet to the westerly line of South Main Street a corner; thence by said South Main Street N. $12^{\circ} 2' 50''$ E. 674.10 feet to a turn; thence in the northerly direction in a curve 173.25 feet by said street; thence N. $4^{\circ} 29' 50''$ W. 337.81 feet to a turn; thence still by said street N. $7^{\circ} 14' 40''$ W. 63.45 feet to the land of Atterbury and Harrison and the point of beginning. Said parcel contains a total area of 10.84 acres, more or less, and is more particularly shown on a plan entitled "Plan of Land to be acquired by the Town of Berkley, Mass. for school purposes, Scale 1"—100 feet", dated June 1961 and made by Corse and Tibbetts, Engineers and Surveyors.
2. Appropriated from School Planning and Building Committee Expense:

New Elementary School Land Damages and Legal Fees	300.00
--	--------

3. Appropriated from Old Age Assistance and Medical Aid
to the Aged:

Welfare Administration	650.00
------------------------	--------

In addition to the above business meetings, the town election, which is part of the annual town meeting, was held March 20, 1961.

CENSUS

The 1960 census, taken nationally, was officially reported early in 1961, listing the population of Berkley for 1960 as 1,609. This compares with the 1950 census of 1,284 and the 1940 census of 1,130.

These figures projected would seem to indicate a population of about 2,000 in 1970.

Respectfully submitted,

FRANCIS F. G. ANDREWS,

Town Clerk

REPORT OF SELECTMEN FOR 1961

During 1961 we note that the town continues to prosper. Permits were issued for the construction of dwellings, trailer homes and business establishments. Under the highway program Orchard Street was widened and hard surfaced. Sections of North Main Street were widened in order to increase the road surface width.

The survey of South Main Street from the Freetown line to Bryant Street has been completed by the Department of Public Works. At present \$32,000.00 has been accumulated toward reconstruction.

The painting of the Berkley-Dighton Bridge has been delayed until necessary repairs can be made to the structure.

Inasmuch as the vehicular travel has increased immensely over the Berkley-Dighton Bridge, the selectmen of Dighton and Berkley jointly requested Senator John Parker to have a legislative group study the present and future needs of a more suitable bridge.

The selectmen advertised for bids for the sale of the Myricks building as instructed by a town meeting vote. No bids were received.

During the year approximately \$1,500.00 was expended in the removal of dead and diseased elm trees.

For 1962 we recommend that a sum of \$1,000.00 be appropriated for the gravelling, drainage and oiling of Plain Street from the Taunton-Berkley line to Orchard Street and a sum of \$810.00 as Berkley's share to make necessary repairs to Berkley-Dighton Bridge.

We also recommend that \$5,000.00 be made available for the South Main Street reconstruction.

To continue the removal of dead elm trees from the sides of our highways we recommend that \$1,000.00 be expended for this purpose this year.

Due to a change in the General Laws of the Commonwealth of Massachusetts, enacted during the past year, constables elected at the annual election this year will serve for a period of three years. This will necessitate a change in the town by-laws to conform to the state law.

In conclusion, may we express our appreciation to all for their cooperation with us in the conduct of the town's business.

Respectfully submitted,

EINO H. SILVAN

HAROLD G. ASHLEY

WILLIAM V. HOGAN

REPORT OF CHIEF OF POLICE

To the Board of Selectmen
Town of Berkley

Gentlemen:

As your Chief of Police I submit the following report for the year 1961:

Arrests	3
Summoned to court for Motor Vehicle Violations	7
Auto Accidents (fatal)	1
Auto Accidents (injuries)	14
Auto Accidents (property damage)	19
Breaks and Thefts Investigated	16
Stolen Cars Recovered	4
Miscellaneous Complaints Investigated	114
Car Transfers Filed	1053
Tickets Issued for Defective Equipment	127
Pistol Permits Issued	8
Summons Served	11
Dogs Killed by Autos	5
Recommended Suspension of Licenses	16
Recommended Warnings	15

We assisted the Registry on periodic checkups and Road Watches, patrolled the Town on Holidays, and directed traffic during the Dog Racing Period.

We are a member of the Taunton Police Radio Network and have five two-way radios and five receivers for communications.

I thank the Selectmen, Police Officers, Firefighters, and all others for their excellent cooperation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY,
Chief of Police

REPORT OF PLANNING BOARD

There were no sub-divisions in 1961 necessitating the construction of new roadways. A few parcels of land located on public ways were approved by the board.

The townspeople are reminded that the Registry of Deeds will not accept a new map or plot indicating a division or transfer of one or more parcels of land on a public or private way unless it has been signed by the duly authorized member of the Planning Board, and officially stamped with the words "Approval Under the Subdivision Control Law Not Required." It is also necessary that a "Form A," obtainable from the Planning Board, be filled out in duplicate. This will, among other things, indicate the book and page number of the deed. It is also desirable that two contact prints of the plot be filed with the Planning Board.

We have accepted with regret the resignation of Herbert C. Hutchings, Jr. We welcome the temporary appointment of Russell S. Bennett. Mr. Bennett is currently the delegate to the Southeastern Massachusetts Regional Planning Board.

One member of our board has been active this year on the Berkley School Planning and Building Committee. Two other members have served on special committees of the newly formed Berkley Taxpayers Association.

The Planning Board wishes to thank Mr. Thomas Nelson for his donation of a fourteen drawer map cabinet. This has been a sorely needed item and it is hoped that our collection of prints will prove useful to the proposed tax equalization and town mapping program.

Respectfully submitted,

STUART R. WATERFIELD,

Secretary

REPORT OF THE LIBRARIAN OF THE BERKLEY PUBLIC LIBRARY

To the Trustees of the Berkley Public Library:

It is indeed a pleasure and privilege to bring to you the following report for the year 1961:

1961 Circulation, 12,119, an increase of 4,953 over 1960.

Adult borrowers 130, Juvenile 293. Total of 423 borrowers.

Volumes added 474. By town purchase 202. By donation 272.

Numbered among the town purchases are two sets of encyclopedias, the Americana and the World Book. These are being put to good use by our patrons.

The following magazines are available, some by town purchase, others by regular donation: "Better Homes & Garden, Christian Herald, Farm Journal, Field and Stream, Good Housekeeping, Holiday, Hot Rod, Ingenue, Illustrated English News, Jack and Jill, Life, Ladies Home Journal, McCalls, Mechanix Illustrated, Popular Science, National Geographic, Saturday Evening Post, Redbook, Reader's Digest, Rudder, Seventeen, Travel, U.S. News and World Report, and Yankee." These are being proved popular at our reading table.

We feel that our year's work with the school children, who come to the library by classes with their teacher, has proven worth while. More and more of the children now come at other times on their own. We certainly appreciate the cooperation of Mr. Gerald Flemming and the school personnel. It has been of decided benefit to have Mrs. Stanley Trond at the library during the school children's visits. We are able to conduct the exchange and selection of books with greater efficiency.

Mrs. Trond and myself attended a ten week course on "Cataloging and Classification for Small Public Libraries" which was sponsored by the Library State Division of Extension. The course, taught by Miss Rita Steele at The Millicent Library in Fairhaven, has helped with our work here at this library.

With the cooperation of parents and friends, a Story Hour Program was conducted during vacation months, and we extend our thanks to those who made it possible.

Our thanks to the following people for their generous donations of books or magazines: Mrs. Eino Silvan, Mr. and Mrs. Rodney Briggs, Mrs. Thomas Foley, Mrs. Frank Beal, Mrs. Roger Macker, Mrs. Alfred Howland, Mrs. Elmer Whitaker, Mrs. Emily McCabe, Mr. Walter Longton Mr. Luther B. Heard, Mrs. Clifford Holmes, Mr. and Mrs. James Babbitt, Mrs. Helen Taber, Mr. Armand Desautels, Everett Freeman, Mrs. Stanley Trond, Mrs. Elaine Varley, Mr. Lawrence Swift, Miss Jessie Howland, and the Misses Diane Tripp, Gloria Freeman, Elaine Craven, Meyrl Waterfield, and Miss Ruth Howland.

Our sincere thanks to Miss Edith Ames for her many hours of work on our files. My deepest thanks to our trustees, who cooperated so wonderfully to obtain the very best for our library.

We would welcome suggestions from interested persons as to how we may improve our library service. Do come in and visit us, it's YOUR LIBRARY.

Respectfully submitted,

HELEN M. CRAVEN (Mrs. Walter),

Librarian

REPORT OF INSPECTOR OF SLAUGHTERING

To the Board of Selectmen

Town of Berkley

Gentlemen:

I had five calls for dog bites. There was no slaughtering in the town during 1961. I inspected 53 barns and buildings, also 780 animals.

Respectfully submitted,

HERBERT ASPINALL,

Inspector of Animals and Slaughtering

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

To the Officers and Townspeople of Berkley:

One of the major projects for this year has been the scraping and refinishing of the floor in the library. This has added greatly to the appearance of the room as a whole. New bookcases have been built at the fireplace end of the room, to be used for juvenile books. This will make room to rearrange the adult books and will give extra space for the reference books which are so badly needed. Twelve small chairs have been purchased for the use of our smaller patrons. New window shades have been placed at all windows in the building. A new sink has been installed in the kitchen, and as it fits under the window and lines up with the stove, it has added to the usefulness of the kitchen.

The building now needs the exterior trim repaired and painted, and the chimney pointed up. After this is accomplished the place should be in fairly good condition.

During the past year the following groups have found the Library Hall convenient for their meeting place: Brownies, Girl Scouts, Tax Payers Association, Woman's Club, 4-H Club, Registrar of Voters, Planning Board, and State Auditors. We are glad that this building is available for these various functions.

We would like to thank our able caretaker, Mr. Walter Longton for his excellent care of the property. We also thank our Librarian and assistant for their efforts.

Many thanks to all those people, who during this year have helped with Library projects, donations of books and magazines, or in any way helped to make our library of greater service to our community.

We are indeed grateful for the five hundred dollars (\$500) which we received from the State of Massachusetts in the form of State Aid to Libraries as well as our town appropriation all of which made the above progress possible.

Respectfully submitted,

WALTER CRAVEN

CORINNE H. MACKER

RUTH HOWLAND

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To: the Board of Selectmen
Town of Berkley

Gentlemen:

As your Chief of the Fire Department, I submit the following report for the year of 1961.

During the year of 1961 there were a total of 34 fire calls answered by the Fire Department, 13 ambulance calls 10 ambulance trips to Morton Hospital in Taunton, 1 trip to Union Hospital in Fall River and 2 trips with local residents to rest homes.

The Fire Extinguishers in the school library and churches have been inspected during the past year, monthly fire drills are held during the school season under the supervision of a member of the fire department.

In April 1961 the Berkley Firemen's Association at its monthly meeting voted to purchase an ambulance for the town of Berkley. A donation drive was put on by members of the Firemen's Association during the months of April and May and the response from the local townspeople was very good. With the funds obtained from this drive and funds from the Firemen's Association treasury, a 1950 Packard Ambulance was purchased from an ambulance company in Providence, R. I. The Firemen's Association then equipped this ambulance with radio, wheel stretcher, resuscitator, first aid kit, new rubber, painted and lettered (in the name of the Town of Berkley), placed in top condition and in June of 1961 turned the ambulance over to the Town of Berkley under the supervision of the town Fire Department. The total cost of this ambulance equipped was \$1,532.03. Total received in donations \$1,353.25, and all future donations received for the ambulance are placed in an association equipment fund for future use.

To the townspeople, this is your ambulance and every effort will be made by the Fire Department personnel to give free, efficient, emergency ambulance service to all residents of the town. Please remember that the personnel operating the ambulance are working people. Every effort will be made to handle emergency cases immediately and all others on their

merits. In case you need the ambulance or the resuscitator, dial the FIRE TEL.: number 2-6354 and every effort will be made to assist you.

I wish to take this opportunity to thank the residents of the town for their prompt action and cooperation with the Fire Department, also to express my appreciation to the members of the Fire Department, Police Department and all others who have cooperated and assisted in carrying out the duties of this office.

Respectfully submitted,

GARLAND TEMPLETON,

Chief of the Fire Department

CIVIL DEFENSE

To the Board of Selectmen

Town of Berkley

Gentlemen:

As your Director of Civil Defense, I submit the following report for the year 1961:

We have purchased two (2) Two-way Radios for the local communication. One has been installed in the Rescue Truck, and the other in the private car of Clifton Holmes on Bayview Avenue. We have installed a public address system in the Rescue Truck, which will be available to any organization in the town needing use of a PA System for outdoor use.

We raised the aerial at C.D. Headquarters from 30 to 60 feet and have very good communications. We purchased material to build a new shed for the generator at headquarters, but did not build this yet, because of lack of help. We will try to do this next year.

We have purchased many small items which are needed to operate Civil Defense.

I wish to thank all who helped Civil Defense this past year, and hope more people will join and help us next year.

Respectfully submitted,

RUSSELL A. HASKELL, SR.,

Director of Civil Defense

Town of Berkley*

BOARD OF PUBLIC WELFARE

To: The Honorable Board of Selectmen:

Gentlemen:

The activities of the Department of Public Welfare for the year ending December 31, 1961, have included the administration of the following programs:

- Aid to Dependent Children
- Disability Assistance
- General Relief
- Medical Assistance for the Aged
- Old Age Assistance

Aid to Dependent Children

As of December 31, 1961, we had seven cases, representing 27 eligible persons, receiving Assistance under this program. It is expected that expenditures for this category of assistance will increase drastically because of the liberalization of the pending Federal laws.

Disability Assistance

During the year 1961, only one person received this type of assistance. The case was closed, however, as his monthly Old Age Survivors-Disability Insurance benefits were sufficient to meet his budgetary needs.

General Relief

Our monthly caseload averaged three during the year 1961. Persons who are ineligible for categorical assistance are recipients of this type of aid.

Medical Assistance for the Aged

Persons over 65 years of age, who are unable to meet the costs of their medical needs: Nursing Home Care, Hospitalization, etc., because of limited income, are eligible for this program, which went into effect in October of 1960. Our monthly caseload averaged 7 in the year 1961. Because of increased hospital and Nursing Home per diem rates, the expenditure for this type of assistance is expected to be increased.

Old Age Assistance

Our monthly caseload averaged 19, during the year 1961. Old Age recipients who require Nursing Home Care are no longer eligible for this type of assistance, and are automatically transferred to the new program, Medical Assistance for the Aged.

Administration

The Commonwealth reimbursed the Town of Berkley for 25% of the costs of administering only the Disability Assistance program, but since October 1, 1961, the town has received 25% of administration costs for all categorical assistance programs. As the Federal government reimburses the Town for 50% of those costs, the Town's share is only 25%.

In concluding my report for the year ending December 31, 1961, I wish to express my appreciation to all who have assisted me in any way during the past year.

Respectfully submitted,

(Mrs.) THERESA M. PARENT,

Director of Public Welfare

REPORT OF THE INDUSTRIAL DEVELOPMENT COMMISSION OF BERKLEY 1961

The Industrial Development Commission of Berkley had an active year in 1961. The Commission made preliminary surveys of the type of businesses that are now located in our town.

The surveys disclosed there are more than thirty established businesses, and that at least two new concerns located in Berkley during 1961. Among these new businesses are the J. & R. Form Co., on County Street, and the Bird Pad Co., on Mill Street. During the surveys the members of the Commission received favorable co-operation from business men already established in the town.

Regular meetings of the Industrial Development Commission this past year were held in the basement of the Berkley Grammar School, where the order of business was to discuss and formulate plans to promote and encourage new business and industry in this area.

The matter of taking an active part in the Regional Industrial received due consideration. The board voted to send Ben Rose as the Berkley representative to all the meetings, and to report on such meetings. The Industrial Development Commission went on record to support the activities of the Regional Commission, and to encourage and to promote the business, industrial and residential development in our town.

Respectfully submitted,

F. W. CARROLL, Chairman
EDMOND ST. YVES, Secretary
HENRY BAACKE
WARREN HOLMES
BEN ROSE

REPORT OF THE TOWN AUDITOR

The books and accounts of the Collector of Taxes were audited as of December 30, 1961. Records of collections and payments to the treasurer proved to be correct. Tax records were checked and verified with a listing of all outstanding accounts made. The treasurer's books were examined and found to be in order.

Notices of unpaid taxes owing to the town, were mailed for verification purposes to persons shown on the books with unpaid balances.

Respectfully submitted,

FRED HEYWOOD, JR.

Town Auditor

REPORT OF THE WAR MEMORIAL STONE COMMITTEE

The Committee has met a number of times during the past year and discussed several types of permanent stone markers to replace the present temporary wooden marker now standing on Berkley Common.

The Committee have obtained cost prices of two types of stones—natural boulders with bronze or aluminum plaques and a finished stone made by a professional stone cutter.

The Committee have found a stone which they unanimously thought to be quite suitable.

This stone is simple and not expensive—made of certified Barre Guild granite with a guarantee of quality and workmanship. The size would be two feet and eight inches wide, ten inches thick and would stand four feet and six inches high with a design consisting of the Town Seal and the words: "To Honor Those Who Have Served Our Country From Berkley." The letters of the words can be read from some distance away.

The cost of this stone set at a location designated on the Common, with a setting of slow growing evergreen shrubs, would not exceed \$400.00.

RUTH E. IDE, Chairman

C. E. HARRISON, SR.

Berkley

Attendance Officer

Lawrence B. Swift

GENERAL INFORMATION

Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

Vaccination

Every child who enters school for the first time must present a certificate of vaccination or a statement from his physician that vaccination is inadvisable.

No-School Information

When weather conditions are such that our buses are unable to run, a no-school notice will be broadcast over Radio Station WSAR, Fall River, Radio Station WPEP, Taunton, Radio Station WPRO, Providence and Radio Station WARA, Attleboro. Parents are urged to use their own judgment about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I herewith submit my seventh annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal, the Music Supervisor and a report of the Dentist.

Finances

The budget has increased some this year but over the last half of the year September to December we will notice a decline due to the fact that our seventh and eighth grades will be back in Berkley. Increased tuition costs is responsible for much of the increase in the budget. We have added two teachers this year to work with the pupils who need help in the large class. This too has increased the budget. With more classrooms available in September these teachers will teach regular classes.

School Program

For a while last spring it seemed that our increasing enrollment would necessitate double sessions to take care of large classes. We finally ended up with an enrollment that has stayed around 210 pupils. It was decided to hire a teacher who could take small groups of children out of the large classes and give them extra help. A new teacher was hired for the Opportunity Class allowing Mr. Fleming time to help in the upper grades and supervise the program in general. It was also necessary to have one music supervisor to teach vocal and instrumental music as Mr. Morrison and Mr. Lincoln were to devote more time at the junior and senior high school level.

Personnel

Mrs. Martina Grover, second grade teacher resigned to be at home. She was relaced by Mrs. Mildred Walker who formerly taught in Berkley and more recently in Freetown. Mrs. Mary Mullins who has done some teaching at the Veterans Hospital in Brockton was hired to teach the Opportunity Class. Miss Catherine Kelley, who is new to teaching, was hired as a helping teacher. Mr. Achille Oliveiri, who previously taught in Kingston, Rhode Island and Rehoboth, was

hired to teach music. I feel that we have a good staff of teachers for grades one through six and with the addition of one or two others and some new teachers for grades seven and eight we should be in good shape next fall.

Building

The building was painted on the outside last summer and some spots on the inside were painted. New front doors were installed. It will be necessary to make some repairs this summer to adapt the building for Junior High School. The flush boxes in the toilet areas will have to be replaced as they are worn out and do not function properly. The usual program of painting and cleaning will be carried out.

Conclusion

It would seem that with the additional space that is being provided and the improved salary schedule that the Committee has adopted we should be able to have a school program equal to that of our neighbors. I believe that you the citizens have shown your interest in our schools by your votes over the past year. It is our hope that we will be able to serve your interest with well run schools for your children.

I wish to thank the P.T.A., the Taxpayers Association, Town Officials and others who have helped us this year. I would also like to thank Mr. Fleming and his faculty for waiting so patiently for adequate facilities in which to teach.

We aim to serve you the people and if you have any questions concerning school please call on us and we will help you if we can.

Respectfully submitted,

ROBERT T. ROY,

Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my third annual report as principal of Berkley Grammar School.

Enrollment

Our enrollment since the opening of the school year has fluctuated between 200 and 210. This is somewhat less than last year, but is accountable in the fact that we sent a class of 43 sixth graders to Apponequet. The incoming first grade totaled 32 on opening day. This has since risen to 35.

All classes, sixth grade excepted, are being maintained with pupil-teacher ratios far in excess of the recommended 25. As of January 1, 1962, our enrollment is as follows: Grade 1—35; Grade 2—35; Grade 3—30; Grade 4—39; Grade 5—32; Grade 6—22; and Opportunity Class—8.

Curriculum

The school curriculum has been strengthened this year in many areas. Of major significance is the lengthening of the school day and the school year. We now begin classes at 8:50 A.M. instead of 9:00. This ten minutes is reflected in a longer noon recess. The primary reason for this being to allow teachers more time to give students special help in areas of difficulty. This has been practically impossible in the past with large classes. In addition to this, a supervised make-up period is held during which pupils can finish previously undone work.

Another curriculum improvement has been the acquisition of a new Science textbook for all grades. In the past, a continuing series has been lacking.

President Kennedy's council on youth fitness has led to another curriculum change. The council suggested 15 minutes of vigorous physical activity each day. We have modified this in the area of time, as we have one 45 minute period per week. This is concentrated mainly in the intermediate grades. Recommended exercises and tests are being administered, however. To assure proper development and coordination of

each child, the principal and classroom teacher work together, giving assistance wherever necessary.

With the expansion of our faculty, many things are possible which were unheard of in the past. For example, we are able to take small groups from the regular classroom to give them remedial help. Having a remedial teacher alleviates the burden in classes of 35 to 40 pupils.

A full time teacher for the opportunity class is now possible with the separation of these duties from those of the principalship.

Also, the principal is now able to make frequent supervisory visits to each classroom, thereby gaining a keener insight into the educational progress of each child.

This year we have been visited many times by supervisors from the Massachusetts Department of Education. These people are working with us constantly in an effort to provide better services for our students.

The faculty of this school has attended meetings with faculties from other schools in our union. To date our efforts have been directed generally at a course of study, and specifically at the field of reading. Future in-service meetings of this faculty will bring about a report card revision before the start of another school year.

In the intermediate grades we are utilizing the last period on Friday afternoon as a club period. Four clubs have been established, namely: Glee Club, Physical Education Club, Newspaper Club, and Arts and Crafts Club. Students chose the club to which they wished to belong. In this way, the school is better able to broaden the experiences of our pupils.

Television

Our learning-through-television process has been furthered this year by the addition of many new programs. We now have the following programs which the children watch on a weekly basis: Grade 1—Science and Health; Grade 2—Science, Music; Grade 3—Literature; Grade 4—French I; Grade 5—Science, French II; Grade 6—Science, French III.

A student who follows closely the French program for three years will have a definite advantage in conversational French upon entering the junior high school.

Testing

As we continue in our efforts to have on file a complete profile of each pupil, an intensified testing program is materializing. During the past year I have administered individual Stanford Binet intelligence tests to approximately 25 pupils who have been referred by the classroom teachers.

Also, group intelligence tests were administered in grades one, three, and five. Stanford Achievement tests were given to pupils in all grades in April with gratifying results.

In September, readiness tests were given to first graders to enable us to better qualify pupils according to their abilities.

Extra-Curricular

A pre-school registration and clinic was held in May for incoming first graders. Following registration and vaccinations, the children went to the first grade room for orientation with the teacher. The parents, meanwhile, enjoyed a coffee hour and question and answer period. The coffee hour was under the auspices of the P.T.A.

Record keeping became a more scientific task this year with the introduction of new permanent record cards. Replacing the old folder-type record, it now allows for all records to be maintained on one card. These are in use in grade one and will gradually replace the old system.

A single music supervisor, Mr. Olivieri, has replaced Mr. Lincoln and Mr. Morrison. The program, however, remains basically the same with one half day per week devoted to vocal music and one half day for instrumental music. Many new youngsters are taking instrumental lessons this year. This should provide the nucleus for a good band next year.

The Spring Music Festival was well received by a capacity audience last April. The money realized from this event was used to purchase a complete amplifying unit for the school. This amplifier has since been used at all assembly programs.

Our combination May Day-Memorial Day program was again held outdoors. Assemblies have also been held at Thanksgiving and Christmas. All were well attended by parents and friends.

Educational field trips held the attention of our pupils last spring. Through the cooperation of the teachers, Mr.

Trenouth, and parents who acted as chaperones, all children were able to visit educational sites. The first grade toured the zoo at Roger Williams Park. Grade Two visited the Children's Museum and Franklin Park in Boston. The third and fourth grades went to the Science Museum in Boston. Fifth grade had a guided tour of the Providence Journal newspaper operation, then visited Roger Williams Park. The sixth grade toured the State House and Agassiz Museum at Harvard University.

Participation in the school milk program continued at a very high percentage. The weekly average was about 75 to 80 percent. During one week in December a daily total of 190 bottles of milk were ordered.

Health services have been maintained satisfactorily. Mrs. Dillingham, school nurse, is with us one and one-half days per week. Dr. Alan Poole, school physician, has completed physical examinations of all pupils within the past year. The present second, fourth and sixth grades were done in June, and the first, third, and fifth grades were done this fall.

We have held fire drills throughout the school year on an average of once a month. During warmer weather, more were held. The Berkley Fire Department cooperated in our annual Fire Prevention Week drill which is as realistic as possible.

This year's major drill was filmed on 16mm film and then combined with a tape recording describing vital parts of the drill.

P.T.A.

Under the capable direction of President Mrs. Ernest Stone, Vice-President Mrs. Stuart Waterfield, Secretary Bradford Richmond, and Treasurer George Hachey, the P.T.A. is conducting a successful year of events. Although the primary function of the organization is a better understanding between home and school, some of its activities do realize monetary gains. These funds have been set aside for a contribution to the new school.

Among activities sponsored by the P.T.A. this year were the annual Halloween party, a whist party, and a sports night at which Bill Monbouquette of the Boston Red Sox visited the school.

Conclusion

Many individuals and organized groups within the town have cooperated with us in our attempts to educate the whole child. We are sincerely grateful to these people. The Women's Club provided flowers and refreshments for our May Day-Memorial Day program; the P.T.A. this year was assisted in sponsoring the Halloween party by the Volunteer Firemen's Association; and, once again, the Police Association provided funds for the Christmas party. Mr. Clarence Trenouth provided transportation for all our educational field trips.

The assistance given by you, Mr. Roy, and the members of the School Committee is greatly appreciated.

Our teachers, who in addition to regular classroom duties, are always willing to attend meetings and workshops in an effort to improve our school, are especially deserving of commendation.

The custodians are constantly striving to keep the school in prime condition and we appreciate their efforts.

I commend the parents for the spirit of cooperation which exists between home and school. This cooperation is reflected in a student body exuberant with pride in themselves and their school.

I look forward to September and the increased facilities with which the town has provided its children. This is done judiciously, however, with reflection upon years of accomplishment here.

Many changes will come about but with the same continuing effort on the part of all concerned, we can look forward to a future bright with promise.

Respectfully submitted,

J. GERALD FLEMING,

Principal

INSTRUMENTAL MUSIC REPORT

Mr. Robert Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I herewith submit the annual Instrumental Report for the Berkley Elementary School.

Instrumental music lessons are offered to pupils in grades four, five and six. The classes, ranging from two to nine pupils, meet once a week. The smaller groups meet for thirty minutes and the larger for forty-five minutes. Each student has a weekly lesson to study for the purpose of advancement on his particular instrument.

The instrumental program consists of sixteen students.

The purpose of the program is to acquaint each student with his instrument and to teach him the fundamentals of music reading, rhythm and expression. As the student advances, we analyze and diagnose his faults and prescribe the remedies which will correct these faults.

When the younger players have progressed on their instruments, a small band is organized for the purpose of performing for their school and community.

Respectfully submitted,

ACHILLE P. OLIVIERI,
Instrumental Music Supervisor

VOCAL MUSIC REPORT

Mr. Robert Roy
Superintendent of Schools
Berkley, Massachusetts

Dear Mr. Roy:

I herewith submit my first report as Supervisor of Vocal Music.

The vocal material on hand was successfully used during the previous year. Because of pupils' individual differences, interests, and ability to participate, the activities in the music class are varied. They consist of music theory, the presentation of instruments and various musical discussions. It is not exclusively vocal although singing is still the fundamental activity.

The children in the lower grades are encouraged to make body movements in response to music. This helps them to determine what the music is saying.

The aim of the vocal music class is to enrich and develop the personalities of all students and to contribute to the rounding out of the whole student as a process of his natural development.

On December 22, 1961 the annual Christmas program was presented.

Respectfully submitted,

ACHILLE P. OLIVIERI,

Vocal Music Supervisor

REPORT OF THE SCHOOL NURSE

Mr. Robert T. Roy
Superintendent of Schools
Berkley, Mass.

Dear Mr. Roy:

I herewith submit my annual report as school nurse of the Berkley Grammar School. The routine school health program has been carried out for the year. All pupils have been measured and weighed.

Physical examinations were done by Dr. Alan Poole. Grades one, three, and five were examined. The general health level of the pupils was considered good.

The Dental Clinic continues to serve a limited number of pupils needing dental care. Fifty-nine pupils were treated and a total of ninety-one operations were completed in the fifteen trips made to Dr. Helfand's office.

Clinics for diphtheria and tetanus protection were held in March, April, and May. At the April and May clinics polio shots were also given. Eleven children were vaccinated against smallpox at the pre-school clinic.

Vision and hearing tests were given to all pupils. Fourteen pupils failed to pass the test. Corrective treatment has been provided by parents in most cases. The Taunton Lions Club has been very helpful and generous in supplying glasses for pupils whose parents needed help in that area.

I have attended several Public Health Meetings during the year. On May 13, 1961 the School Nurses Association of Massachusetts held an all day meeting at the University of Massachusetts. The following program was presented to a large group of school nurses:

“The Treatment and Management of School Phobias”

Dr. Waldfogel

“Orthopedic Problems in the School Age Child”

Dr. Hartman

“The Healthy School Child”

Dr. Valodian

The program closed with a panel on “A Challenge for Improved Services for the School Age Child.” These lectures

were very informative and many new ideas were suggested and discussed.

On September 27, 1961, a meeting was held at the Assawompset School in Lakeville. The topic under discussion was Visual Problems among school children. Dr. Henry F. Allen, Surgeon in Ophthalmology and Dr. Michael Weidman, Assistant in Ophthalmology, Massachusetts Eye and Ear Infirmary in Boston lectured and showed colored slides pertaining to operations performed on eyes that were crossed and the results after the operation. Both Dr. Allen and Dr. Weidman emphasized the importance of early treatment for children who have eyes that are crossed. Treatment should begin as early as possible.

1961 has been a busy and rewarding year—I have enjoyed my work. I would like to thank everyone who helped the school health program. I would like to thank the Berkley Women's Club for their continued support in time of need.

Respectfully submitted,

ELLA F. DILLINGHAM, R.N.

School Nurse

REPORT OF THE DENTAL CLINIC

Mr. Robert Roy
Superintendent of Schools
Dighton, Massachusetts
Re: Report of the Dental Clinic
Dear Mr. Roy:

This is the annual report of the dental clinic serving the Berkley Elementary School. The term started on March 20, 1961, and ended on December 19, 1961. The total number of operations was 84. Breaking this down into the various services rendered, we accomplished this:

- 9 Silicate (porcelain) fillings
- 52 Extractions of teeth including odontectomies (surgical removal with sutures)
- 8 Prophylaxes (cleanings)
- 15 Amalgam (silver) fillings

—
84

The clinic has had a very successful year in which a great amount of work was accomplished and dental care was rendered to those who may never have had an opportunity of visiting a dentist.

Sincerely yours,

ISRAEL HELFAND, D.D.S.

REPORT OF THE BERKLEY SCHOOL PLANNING AND BUILDING COMMITTEE

The Committee began its work in 1961 by asking for a Special Town Meeting to report on their work and ask for a sum of money to be appropriated for preliminary drawings and site surveys. After the Town Meeting the Committee went about its work viewing sites and going over preliminary plans. On February 8, 1961 the Committee approved the site offered by Mr. George Bischoff as a gift and engaged Mr. Benjamin Evans to survey the site.

At the February 8th meeting the Committee authorized Mr. Israel T. Almy the architect to draw preliminary plans for a building with 12 regular classrooms and a special classroom plus a library, combined gym-auditorium, kitchen and other necessary offices and storage rooms.

At the meeting of March 9, 1961 Mr. Robert Taylor resigned as a member of the Committee as he was moving out of town. The Committee decided to visit the Newman Avenue School in Seekonk as it was similar in design and size to the building we were planning. As the site survey had not been started due to the fact that Mr. Evans was very busy it was decided to engage the firm of Corse and Tibbetts of Marion to do the survey. Mr. Almy presented several plans and the Committee chose a plan which could be constructed for around \$400,000.00

The Committee met with Mr. Robert Verkade of Corse and Tibbetts and Mr. Bischoff on March 21, 1961. Mr. Bischoff gave his approval of the 12 to 14 acres of land upon which the school would be placed. Mr. Almy presented final preliminary plans which were to be sent to the School Building Assistance Commission for approval.

On April 18, Mr. Richard Pilling resigned as chairman of the Committee and Mrs. Estelle Stetson was elected chairman.

These plans were approved by the S.B.A.C. and the Committee requested a Special Town Meeting to raise money for working drawings. It was voted that the Committee present plans for a nine room building and alternate plans for four additional rooms.

Mr. Fred Heywood was appointed to the Committee by Town Moderator Richard Perry to succeed Mr. Robert Taylor.

After many meetings to discuss types of construction, the final working drawings were sent to Boston for approval. Bids

were advertised for constructing the building and alternate four rooms. Registered file sub-bids were opened on September 15, 1961 and general bids on September 22, 1961. G. W. Carpenter Inc. of Fall River was low bidder with a bid of \$347,208.00.

Mr. Richard Pilling resigned from the Committee on September 16, 1961 as he was moving to Assonet.

A Special Town meeting was held on September 25, 1961 and it was voted to borrow under Chapter 645 of the Acts of 1948, the sum of \$360,000. for constructing and equipping a nine room elementary school. After the meeting and final approval of the project was given by the S.B.A.C. a contract was signed with G. W. Carpenter Inc. for \$320,173.00 on October 23, 1961.

Mr. Herbert Hutchings was appointed to fill the term of Mr. Pilling on the School Committee and thereby succeeded him on the Planning and Building Committee.

In the meantime it was necessary to drill a well. Mr. Oliver Perry of Lakeville was engaged to drill the well and was able to produce a well with a flow of 20 gallons per minute.

Clearing of the site and the pouring of foundations began immediately after the signing of the contract.

A ground breaking ceremony was held on Sunday, October 29, 1961 with members of the National and State Government present.

As the year concluded all foundations had been set and rough plumbing completed. We are now awaiting the arrival of structural steel. It is expected soon as we look for the project to be one hundred percent complete by September 1962.

Respectfully submitted,

ROBERT T. ROY,

Superintendent of Schools

School Building and Planning Committee
